Notes:

- The above Financial Results (prepared on consolidated basis) have been reviewed by the Audit Committee and approved by the Board of Directors of Unitech Limited at their respective meetings held on 13th February, 2025.
- The Report of Statutory auditors on the considered financial statements of Unitech Limited for the period ended December 31, 2024, contains qualifications which are being summarized below:
 - We draw attention to Note no. 6 of the unaudited Consolidated Financial Results, we did not audit the financial results of 218 subsidiaries (including foreign subsidiaries) included in the unaudited Consolidated Financial Results, whose unaudited financial results reflect total assets of Rs. 982,72,82.41 Lakhs (36.62% of consolidated assets), total revenue of Rs. 1859,389 lakhs (69.27% of consolidated revenue), net loss after tax of Rs. 86385.92 Lakhs (32.66% of consolidated loss after tax) and total comprehensive loss of Rs. 863,85.92 Lakhs (32.87% of consolidated total comprehensive loss) for the period ended 31st December, 2024. For the purpose of consolidation, management has considered unaudited accounts available with them for these subsidiaries. In case of 32 foreign subsidiaries, the management has incorporated the last available financial information.
 - No details are available with the Holding Company for 17 joint ventures and 4 associates for year ended 31st December, 2024 and accordingly the same have not been considered for consolidation. In accordance with the provisions of Indian Accounting Standard 110 Consolidated Financial Results, the same are required to be Unaudited Consolidated in the financial results.
 - Pursuant to regulation 33(3)(h) of the Listing Obligations and Disclosure Requirements of Securities and Exchange Board of India, the holding company shall ensure that for the purposes of quarterly consolidated financial results, at least 80% of each of the consolidated revenue, assets and profits, respectively, shall have been subject to audit or in case of unaudited results, subjected to limited review. The consolidated financial results of the holding company consist of 30.73% of the consolidated revenue, 63.18% of the consolidated assets and 67.14% of the consolidated loss that have been unaudited by auditors of holding company. Accordingly, the holding company is in non-compliance of the requirements of Listing Obligations and Disclosure Requirements of Securities and Exchange Board of India.
- In view of the above, we are unable to express an opinion on this matter.
- We draw attention to Note no. 5 of the unaudited Consolidated Financial Results, which have made references to the Resolution Framework (RF) for Unitech group. The company has requested the Hon'ble Supreme Court to grant some concessions and reliefs so that the company is able to fulfill its obligations towards the construction of the projects and meet other liabilities. Resolution framework of Unitech group filed by New Management before the Hon'ble Supreme Court on 16th July, 2020, Revised Version on 5th February, 2021 and Revised Version on 27th July, 2022 has not yet been approved by the Hon'ble Supreme Court. Accordingly, the impact of the proposed reliefs, concessions etc. have not been considered in the books of accounts.
- Material uncertainty related to going concern**
We draw attention to Note no. 7 of the unaudited Consolidated Financial Results wherein the management has represented that the Unaudited Consolidated Financial Results have been prepared on a going concern basis, notwithstanding the fact that the Holding Company has eroded its net worth and has incurred losses, both in the current and previous year, and has challenges in meeting its obligations, servicing its current liabilities including bank loans and public deposits. The Holding Company also has various litigation matters which are pending before different forums. Further, the New Management has inherited various projects of the Company, which are pending for considerable construction and residual works to be completed. In compliance of the directions of the Hon'ble Supreme Court, as contained in court's order dated 20th January, 2020, the appointed Board of Directors has requested the Hon'ble Supreme Court to grant certain concessions and reliefs so that the Holding Company is able to fulfill its obligations towards the construction and completion of incomplete projects and meet other liabilities. These conditions indicate the existence of material uncertainty that may cast significant doubt about Company's ability to continue as a going concern. The appropriateness of assumption of going concern is critically dependent upon the Company's ability to raise finance and generate cash flows in future to meet its obligations, and also on the final decision of the Hon'ble Supreme Court on the Resolution Framework. Also, the Board of Directors are exploring various possible options for completion of ongoing projects and are trying to generate additional possible revenues by construction of new flats. Considering the above, we are unable to express an opinion on this matter.
- The Management of the Company has not conducted any impairment assessment for the investments made by the erstwhile management in joint ventures and associates having aggregate carrying value of Rs. 458,79.84 lakhs, despite of strong indicators existing for impairment assessment, as required by Ind AS 36, "Impairment of Assets". In view of non-existence of any impairment study, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these investments and its consequential impact on the Unaudited Consolidated Financial Results. (Refer Note 8(v) of the Unaudited Consolidated Financial Results).
- Due to legacy issues inherited from erstwhile management, the company is not having evidence about the recognition of fair value of the estimated loss allowance on loans given by erstwhile management to joint ventures and associates amounting to Rs. 83,81.00 lakhs and trade receivables from joint ventures and associates amounting to Rs. 18,69.59 lakhs as required by Ind AS 109, "Financial Instruments". (Refer Note 8(vi) of the Unaudited Consolidated Financial Results). We are, therefore, unable to express an opinion on the recoverability of the loans and trade receivables from subsidiary, joint ventures and associates, fair value of estimated loss allowance on loans, trade receivables and the consequential impact on the Unaudited Consolidated Financial Results.
- We draw attention to note 23(i) of Unaudited Financial Results which contains details of corporate and bank guarantees issued by the erstwhile management for its joint ventures. Due to legacy issues inherited from erstwhile management, the company is not having sufficient evidence regarding recognition of fair value of the estimated loss allowance on corporate guarantee given by erstwhile management on behalf of its subsidiary, joint ventures and associates amounting unable to express an opinion on the fair value of estimated loss allowance on corporate and bank guarantee.
- The Management of the Company has not conducted any impairment assessment for the investments made and advances given for purchase of land by the erstwhile management in unrelated companies/ entities having aggregate carrying value of Rs. 10479,57.81 lakhs and Rs. 785,46.62 lakhs respectively, despite of strong indicators existing for impairment assessment, as required by Ind AS 36, "Impairment of Assets". In view of non-existence of any impairment study, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these investments and its consequential impact on the Unaudited Consolidated Financial Results. (Refer Note 8(vii) of the Unaudited Consolidated Financial Results).
- Due to legacy issues inherited from erstwhile management, the company is not having sufficient evidence about the recognition of fair value of the estimated loss allowance on loans given by erstwhile management to unrelated companies/ entities amounting to Rs. 76,28.43 lakhs, trade receivables amounting Rs. 55663.99 lakhs, inter corporate deposit amounting to Rs. 247,98.45 lakhs and security deposits given amounting Rs. 518.99 lakhs, as required by Ind AS 109, "Financial Instruments". We are therefore unable to comment on the recoverability of the loans given, trade receivables and security deposits given from unrelated companies/ entities, fair value of estimated loss allowance on loans given, trade receivables and security deposits given, and the consequential impact on the Unaudited Consolidated financial results. (Refer Note 8(viii) of the Unaudited Consolidated financial results).
- The group has goodwill amounting to Rs. 383,80.79 Lakhs appearing in the Unaudited Consolidated Financial Results as on 31st December, 2024 on account of acquisition of subsidiary companies. The management has not conducted any impairment assessment for said goodwill which is required pursuant to the provisions of Indian Accounting Standard 36 – "Impairment of Assets". In absence thereof, we are unable to comment upon the appropriateness of the carrying value of goodwill and its consequential impact on the Unaudited Consolidated Financial Results.
- Balance of amounts due to/ from receivables, trade payables (including MSME Vendors), bank balances, borrowings, advance received from customers, advances to suppliers, security deposits, other loans and advances, advance for purchase of land, inter corporate deposit and other assets are pending for reconciliation/ confirmation. (Refer note no 9 and 11 of Unaudited Consolidated Financial Results).
- Amount recoverable from GNIDA amounting Rs.1,83,39.80 lakhs is subject to audit/ reconciliation. In view of absence of the reconciliation, we are unable to conclude on the consequential impact of same on Unaudited Consolidated financial results. (Refer note no 12(vii) of Unaudited Consolidated financial results).
- Variation of Rs. 934.15 lakhs has been observed between balance lying with Supreme Court registry and books of accounts and the same is under reconciliation. In view of absence of the reconciliation, we are unable to conclude on the consequential impact of same on Unaudited Consolidated financial results. (Refer Note 8(i) of the Unaudited Consolidated Financial Results).
- Refer note 9 of consolidated financial results:-**
 - Statutory dues, in the books of holding company, related to Income-tax Act, 1962 amounting Rs. 102,46.88 lakhs, Professional Tax amounting to Rs. 0.59 Lakhs, Employees Provident Funds and Miscellaneous Provisions Act, 1952 amounting to Rs. 24,42.87 lakhs pertaining to the period of erstwhile management, are unpaid since long. In view of non-payment of statutory dues, possibility of levies, some penalties by the respective departments cannot be ruled out. On account of the above, we are unable to conclude on the consequential impact of same on Unaudited Consolidated financial results. (Refer Note 9 of the Unaudited Consolidated Financial Results).
 - As per independent opinion taken by Management, the Company is not deducting TDS on estimated liability of interest provided in the books of accounts, based on memorandum statement of accounts received from lenders other than banks, same is in contravention of the provisions of chapter XVII of Income-tax Act, 1961 which mandates deduction of tax at source at earlier of booking or payment.

In the absence of adequate and sufficient audit evidence to establish the amounts payable to the lenders, we are unable to provide our opinion on the correctness of these amounts reflected in the Unaudited Consolidated financial Results and also on their consequential impact including potential tax liabilities. (Refer note no. 10 of the Unaudited Consolidated Financial Results).
- (Non-compliance of provision of Indian Accounting Standards "IND AS" as prescribed under Section 133 of the Companies Act, 2013:-
